

## Global Modem USB730L by Inseego

A tiny and mighty global USB modem powered by the MiFi technology platform.

### Fast and Global

Achieve ultimate download speeds with LTE Category 6 with 2x carrier aggregation. Supporting global connectivity in over 200 countries and more bands than any other USB modem on the market, the USB730L is the most compact and reliable connection for global travelers.

### Simple

Just plug it in and connect – seriously, it’s that simple. Two helpful LED indicators tell the network status and help you monitor your data used.

### Secure

The USB730L delivers a personal connection to the Internet. No passwords, no sharing, no stress. Plus, it’s compatible with some of the strictest corporate VPNs, which puts IT managers at ease.

### Enterprise & Government

Enterprise and government users alike can rely on the robust security features, such as parameter tampering prevention, and one-to-one connection. The USB730L is the trusted solution in both the public and private sector.

### Light Industrial Use

The ideal tool and simple solution for businesses. Whether reaching customers at Point of Sale, tracking customer behavior, monitoring inventory and equipment or providing data transfer, this mighty USB can do it all, and with no software or drivers to install, implementation is truly plug-and-play.

### Personal

USB730L provides a single LTE connection for individuals on the go. Easily monitor data use from the LED indicator on the device or from the Web interface to ensure you stay within your data plan.

# Global Modem USB730L

by Inseego

## MODEL

- USB730L
- FCC ID: PKRNVWMC730

## TECHNOLOGY

- LTE:
  - CAT 6
  - US bands: B13 / B4 / B2 / B5 / LTE-U
  - Global bands: B3 / B4
  - Carrier Aggregation:
    - B13+4, B13+2, B2+2, B2+4, B2+5, B4+4, B4+5
- Quad band GPRS/EDGE
- Quad band UMTS/HSPA
- CDMA2000® 1xRTT / EvDOorA
- QCOM MDM9640

## GPS

- sGPS w/XTRA

## DIMENSIONS AND WEIGHT

- 83x 35 x 11.4mm
- 59g

## ENVIRONMENTAL

- Operating temperature: -10°C to 55°C

## LED INDICATORS

- 2 LEDs - Status and Data Used

## SYSTEMS SUPPORTED

- Windows® 7 or higher
- Mac OS® 10.8 or higher
- Linux® OS
- Chrome® OS

## FORM FACTOR

- USB Type-A 2.0 and higher
- Swiveling, rotator design accommodates various USB port orientations

## SETTINGS AND INFORMATION

- Web user interface
- Optional downloadable dashboard application

## SECURITY

- Security hardened web interface
- Admin password hash; Block retry attempt
- Parameter tampering

## ENTERPRISE FEATURES

- VPN support
- Remote configuration support
- IT administrator settings lockdown

## STANDARDS /APPROVALS /CERTIFICATIONS

- FCC
- GCF
- UL
