Introducing the newest addition to Inseego’s award-winning family of MiFi Mobile Hotspots. The Global LTE Mobile Hotspot - MiFi 8800L is a premium device that offers GIGABIT LTE speeds! With CAT 18 LTE technology, for up to 24 hours on a single charge, and real simultaneous dual-band Wi-Fi, users can connect in 2.4GHz or 5GHz bands simultaneously, improving the quality and speed of the wireless connections. The vibrant 2.4” full-color touch screen display offers more features and onscreen help, giving you the best user experience around. With QuickCharge™ technology you can go from 0-100% charged in just over 3 hours. Does your phone or tablet need a boost? No problem! The MiFi 8800L supports universal charging to make sure you can stay connected all day.

**Brilliant Color Touchscreen Display**
Featuring a full-color, 2.4” touch screen display, the MiFi 8800L boasts more features and onscreen help than ever before, giving you the best user experience possible.

**Super Powerful and Remarkably Efficient**
Up to 24** hours of battery life on a single charge, and with QuickCharge™ technology, you can go from 0 to 100% in just over 3 hours! The MiFi 8800L gives you all-day power for surfing the Web or catching up on email without a midday re-charge. Put it in standby mode and you’ll conserve battery life for days without ever needing to plug in.

**Recharge**
Is your smartphone battery about to flatline? Give it a boost with the universal charging feature without compromising the performance of your MiFi 8800L. Now you and your devices can stay connected longer.

**Share Files**
MiFi Share provides a new way to share files with connected devices on the local, secure Wi-Fi network via a USB memory stick.

**Fast and Global**
Achieve ultimate download speeds with LTE Category 18 with 5x carrier aggregation. With real simultaneous dual-band Wi-Fi, the MiFi 8800L allows up to 15 Wi-Fi clients to connect in 2.4GHz or 5GHz bands simultaneously, improving the link quality and speed, reducing network congestion and improving the quality of the wireless connections.

**Security for All - Always**
From hacker prevention, encryption, enterprise-grade protection and VPN pass-through, you can connect with confidence that your data is secure. MiFi 8800L features the latest Wi-Fi security protocols, password protection and Guest Wi-Fi network. IT administrators can now customize the settings on the Admin portal to prevent the device’s factory reset button from being used.

**Powerful Impact Towards a Smaller Footprint**
Inseego’s innovation goes hand-in-hand with progress towards environmental responsibility. The MiFi 8800L reflects environmentally preferable, conflict-free materials and sustainable manufacturing, minimizing environmental impact and health risks.

NOTE: Data plan required. Coverage subject to network availability.
** Battery life may vary depending upon number of connected devices and activity.
MIFI® 8800L Global LTE Mobile Hotspot Product Specifications

Technology
- Global CAT 18 LTE
- Quad Band HSPA+/UMTS

GPS
- sGPS w/XTRA

Dimensions AND Weight
- 4.29” x 2.64” x 0.71”
- 5.36 Oz

Environment
- Operating Temperature: -10°C to 55°C

WLAN
- 802.11 a/b/g/n/ac
- Wi-Fi 2.4 GHz & 5 GHz
- Real Simultaneous Dual-Band Wi-Fi
- Multiple SSID/Guest Wi-Fi Support
- Connect up to 15 Wi-Fi Enabled Devices

Display
- 2.4” Color Touchscreen Display
- Power Indicator LED

Systems Supported
- Windows® 7, 8, 10
- Mac OS® X 10.7 or Higher
- Linux® Ubuntu 12.4 or Higher
- Chromebook and Microsoft Surface (**)

Battery
- 4400 mAh Li-Ion Battery
- Use Time: up to 24 hrs**

Ports
- Type C USB - Charging, Tethering, MiFi Share and Universal Charging of External Devices
- Dual TS9 test ports

SIM
- 4FF

Security
- Wi-Fi Security (WPA/WPA2)
- Wi-Fi Protected Setup (WPS)
- Wi-Fi privacy separation
- On-board VPN (**)
- VPN Pass-Through
- MAC Address Filtering
- NAT Firewall
- Port Filtering
- Security Hardened Web Interface
- Password Hash
- Anti-CSRF
- Session Timeout
- Turn Off Wi-Fi Broadcasting & USB Tethering
- Incorrect Password Lockout
- Use Admin portal to block factory reset

Standards /Approvals /Certifications
- FCC
- IC
- PTCRB
