

MiFi® 6620L

Global Intelligent Mobile Hotspot by Novatel Wireless

Introducing the newest addition to Novatel Wireless' award-winning family of MiFi Intelligent Mobile Hotspots*.

MiFi 6620L - The Most Powerful Jetpack® Ever

The ONLY Jetpack that securely connects up to 15 devices to Verizon XLTE up to 20 hours on a single charge with a built in power pack for charging external devices.

More Powerful and Remarkably Efficient

Up to 20** hours battery life... in many cases, more. Superior technology combined with power management features, only the MiFi 6620L gives you all-day power for surfing the Web or catching up on email without a mid-day re-charge. Put it in standby mode and you'll conserve battery life for days without ever needing to plug in.

The Only Jetpack with a Power Pack

Is your smartphone battery about to flatline? Give it a boost with the MiFi 6620L universal charging feature without compromising the performance of your MiFi 6620L. Now you and your devices can stay connected longer.

Friendly

Designed with a clear, bright, smart display - the MiFi 6620L makes it easy to find and manage device information. And, if you have a question, on-board help is right at your fingertips.

Redefining FAST Far and Wide, the World Over

The supercharged MiFi 6620L supports Verizon XLTE, includes numerous bands for global connectivity, and is the only device of its kind engineered with patented performance optimization technology.

Security for All - Always

From hacker prevention, encryption, enterprise-grade protection, VPN pass-through and now parental controls, you can connect with confidence.

Powerful Impact Towards a Smaller Footprint

The MiFi 6620L is the only Verizon Wireless Jetpack to be UL 2853 Certified. Novatel Wireless innovation goes hand-in-hand with progress towards environmental responsibility. The MiFi 6620L reflects environmentally preferable, conflict-free materials and sustainable manufacturing, minimizing environmental impact and health risks.

Making Connectivity Accessible for ALL

What some see is what others hear. Ease of use is key for everyone, including those with special needs. With textured access buttons and audible notification features, anyone with vision impairments is able to enjoy the benefits of simple connectivity.

* Data plan required. Coverage subject to network availability. Visit verizonwireless.com for details.

** Battery life may vary depending upon number of connected devices and activity.

MiFi® 6620L 4G LTE Global Intelligent Mobile Hotspot

by Novatel Wireless™

TECHNOLOGY

- Global LTE
- 1xEV-DO Rev. A/O
- HSPA+/UMTS
